A LESSON TO TALE BEARERS.

BT JOHN G. SAXE. The e's a clever classic story, Such as poets used to write. (You may find the tale in Ovid,) That the Rayen once was white

White as yonder swan a-sailing At this moment in the most, Till the bird, for misbehavier, Lost, one day, his snowy cest, "Raven white" was once the saying,

Till an accident, slack ! Spoil dits meaning, and thereafter It was chang d to "Raven black." hall I tell you how it happened

That the change was brought about ? List the story of Coronis, And you'll find the secret out Young Coronis, fairest malden Or Theseshin's girlish train, Whom Apollo loved and courted,

Loved and courted not in vain Flirt d with another Lover So at le st he story go s; And was wont to meet him siyly Underneath the blushing ros Whereupon the bird of Phochus,

Who their meetings chanced to view, Wen in haste onto his master; Went and told him all he knew Told him how his dear Coronis.

False and faithless as could be, Plainly loved another fe low If he doubted, come and see! Whereupon Apollo, angry Thus to find himself behaved.

With his s lver bow-and-arrow Went and shot the wretched maid Now when he perceived hir dving He was strick a to the heart, And to stop her mortal bleeding, Tried his famous healing act !

But in vain; the god of Physic Had no ant dote; slack ! He who took her off so deft'y Couldn't bring the maid it back ! Angry with himself, Ap Ito.

Yet more angry with his bird,

For a moment stood in all nee, Impotent to spink a word Then he turned upon the Ray n. "Wanton sabb or lear the fate ! Go to Hades with thy prate

Weary Plats with thy table ! Hither, mon-ter, come not back ; And to mater thy disposition Henceforth be the plumage block ! " Modial When you're tempted to make mischief,

People the not upt to face v By rere of an alleanie naws semething of the pill h you handle On your fingers will remain; As the liaven's tale of darliness
